

CETRUS-01

by Sergi Fernández

DESCRIPTION

Outdoor bench with modern and ergonomic styling, steel tube frame backrest. Back and seat respectively comprised of two and three slats in 145x30 mm tropical wood. Slats attach to the frame and reinforcement sheet providing structural integrity. Fastened together using stainless steel screws to facilitate potential replacement.

ACCESSORIES: Optional ground fixing.

MAINTENANCE

Clean legs with clean water and moderate pressure. For stubborn dirt, use a neutral detergent solution. Use a clean, damp cloth and dry well. Use soap and water to clean the slats. Graffiti may be removed using conventional cleaning products or petroleum-based solvents.

MATERIAL

Seat and backrest: tropical wood
Frame: 60x40x1.5 steel tube
Reinforcing sheet: 45.1x40x4 steel

FINISH

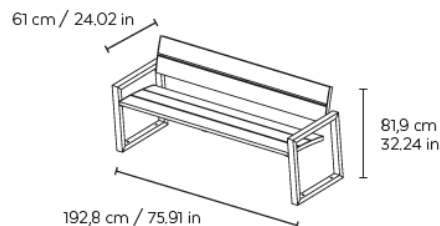

Seat and backrest: Lasur® water-repellent paint

Frame: galvanized and Ral 9006 paint

Reinforcing sheet: Ral 9006

PRODUCT MEASURES

Measures: 192,8x61x81,9 cm.
 Weight: 42,800 kg.

PACKAGING MEASURES

Packaging measures: 195x64x85 cm.
 Packaging weight: 42,800 kg.

WARRANTY

Two-year warranty under normal conditions of use and maintenance.

CERTIFICATES

Designed for total product recyclability. Vilagrassa (Grupo Resol) manufactures all its products according to a Comprehensive Quality and Sustainability System, ISO 9001:2015 and ISO 14001:2015 certified.
